Scoring at a glance

Each trick bid and made: clubs or diamonds 20 · hearts or spades 30 · no trump 40, then 30. Doubled ×2, redoubled ×4.

Game (100 or more contract points; partscores carry forward until a game): bonus 300, or 500 vulnerable. **Partscore made on the 4th deal:** 100.

Overtricks: the trick's value; doubled 100 (200 vulnerable); redoubled 200 (400). **Making it doubled** 50, redoubled 100.

Slams: small 500 (750 vulnerable) · grand 1,000 (1,500). **Honors** 100 or 150, if you count them.

Down (to the other side): 50 a trick, 100 vulnerable; doubled 100, 300, 500, 800, 1,100 (vulnerable 200, 500, 800, 1,100, 1,400), then 300 each.

Who deals, who is vulnerable

Deal 1: North deals, neither side vulnerable.

Deal 2: East deals, East–West vulnerable.

Deal 3: South deals, North–South vulnerable.

Deal 4: West deals, both sides vulnerable.

A deal passed out doesn't count: the same dealer deals again.
