Wins _____ Games _____ Win rate _____ Difference _____

Scored _____ Allowed _____ Pickles given _____ Pickled _____

Each game: write the round, your court, your partner and who you played against, and fill the dot if you won. Write the two final scores, yours under Us and theirs under Them. **Diff** is Us minus Them, so below zero if you lost. **A pickle** is a win where the other team scored 0 and the winners scored 11 or more. **Win rate** is wins divided by games played. A round you sat out is no game: leave it blank. **Ranking:** win rate, then difference a game, then points scored a game.
